# WHY CHOOSE HODDER EDUCATION SINGAPORE?

## Count on some of the **best-known textbooks**

Hodder Education Group acquired select titles from the Pearson Singapore List last year and we now supply these bestselling titles to schools throughout the region.

## Rely on our **local team in Singapore** to provide tailored resources and respond to **ever-changing needs**

Through the local team in our Singapore office we provide schools with access to the best range of print and digital resources, all tailored to support the national curriculum. Our team is dedicated to continually improving the support we provide and to responding quickly and effectively to the wide range of ever-changing needs across the country.

## Benefit from over **100 years of experience** in educational publishing and deliver **world-class lessons** with resources used in over **140 countries**

Hodder Education Group are one of the largest and most experienced educational publishers with over 100 years of publishing history. Globally, we have published for almost every subject, and every learning level, providing resources to schools in over 140 countries worldwide. Our expertise will allow us to provide the best support available to schools in Singapore, and help you deliver and develop the world-class practice that has made Singapore a global leader in education.

## Trust a longstanding partner of **Cambridge International Examinations**

As an official publisher of endorsed resources, we have worked with **Cambridge International Examinations** for over 25 years. Cambridge International Examinations work with the **Singaporean Ministry of Education** to develop the O and A Level exams.

# Secondary English

## Grammar

**Lower Secondary  
Book 1**  
978-981-06-2686-0

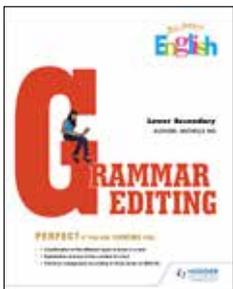

**Lower Secondary  
Book 2**  
978-981-06-2687-7

### All About English: Grammar

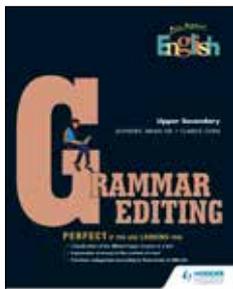

Gain a solid foundation in essential grammatical items, structures and rules with a series based on the latest English Language Syllabus from the Ministry of Education Singapore.

Build proficiency in Grammar with systematic, easy-to-follow lessons designed for progressive learning, suitable for self-study or classroom use.

- Teach correct usage and develop awareness of common and developmental errors.
- Refine understanding of the lessons with 'Extended Learning Points'.
- Test and reinforce grammar proficiency at the word, phrase, sentence and text levels with exercises.

**Lower Secondary**  
978-981-06-3767-5

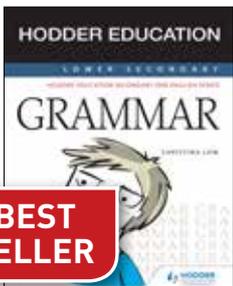

**Upper Secondary**  
978-981-06-3630-2

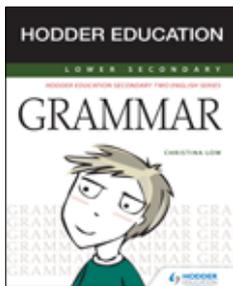

### All About English: Grammar Editing

Help students achieve success in editing for the O level exam paper, with detailed explanations to strengthen their understanding of grammar and the types of error that may be found in texts.

- Teach students to identify and correct errors in a wide range of passages of varying degrees of difficulty.
- Part 1 lists the various types of error students will find in passages as well as tips for tackling a passage, with a worked example.
- Part 2 comprises editing practices which are divided into three distinct categories - basic, intermediate and advanced. Each category has 10 passages which provide a progressive approach to mastering the skills needed to identify and correct grammatical errors in a range of texts.

**Secondary One**  
978-981-06-1196-5

**Secondary Two**  
978-981-06-1197-2

### Hodder Education English Series: Grammar

Develop students' understanding of the underlying grammatical structure of English and master its usage, with a series carefully designed to cover the latest English Language Syllabus.

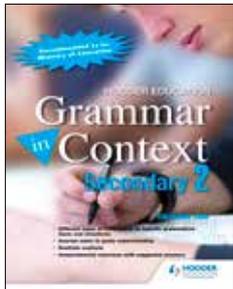

- Teach grammar in context using the text type approach, highlighting various grammar items and their usage in relevant text types.
- Illustrate the use of each grammar item with clear notes and examples.
- Reinforce students' understanding of grammar rules with practice and revision exercises.

# Secondary English

**BEST SELLER**

**Secondary 1**  
978-981-06-2347-0

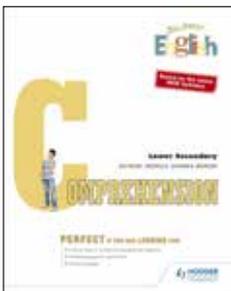

**Secondary 2**  
978-981-06-2361-6

## Hodder Education Grammar in Context

Guide students in their mastery of grammar, focussing on the use of specific grammatical items and structures in realistic contexts.

- Guide students in their understanding of specific characteristics of types of texts with notes and exercises.
- Help students to master grammar in realistic context.
- Reinforce understanding and provide better guidance with comprehensive exercises and suggested answers.

## Comprehension

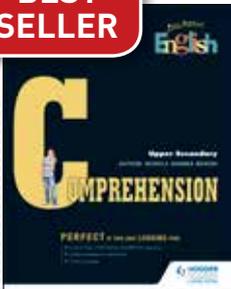

**Lower Secondary**  
978-981-47-6710-1  
**New:** Publishing  
August 2017

### All About English: Comprehension

Cover all three sections of the comprehension paper: Visual text, Narrative Passage and Non-Narrative Passage, identify the questions being asked and overcome difficulties understanding the new format.

- Part 1 - Equip students with the skills to do well in all three sections with an analysis of various types of questions, targeted skills and answering techniques.
- Part 2 - Reinforce understanding with worked examples from sections A, B and C of the English paper.
- Part 3 - Test learning with practice passages for all three sections, and an Answer key to check progress.

**BEST SELLER**

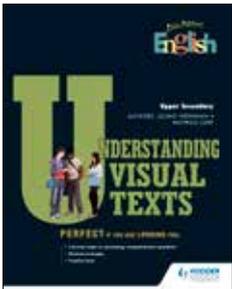

**Upper Secondary**  
978-981-06-3434-6

### All About English: Comprehension

Cover all three sections of the comprehension paper in line with the new syllabus and format, with relevant visual texts and comprehension passages to cover a range of writing styles and issues.

- Part 1 - Provide analysis of the various types of question and targeted skills and answering techniques.
- Help students tackle questions that focus on the use of language for impact with a glossary on understanding literary devices.
- Part 2 - Guide students on the correct way to tackle questions with worked examples from sections A, B and C, focussing on the contextual information surrounding the question and the specific key words or phrases that students need to consider. Notes are provided to help students make connections between the information in the text and the requirements of the question.
- Part 3 - Practise skills and test knowledge with practice passages for all three sections.

# Secondary English

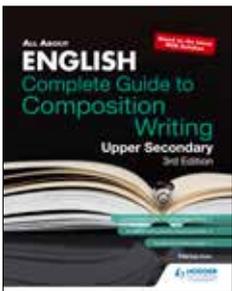

**Upper Secondary**  
978-981-06-3653-1

## All About English: Understanding Visual Texts

Teach students to read and analyse visual texts using signposts such as Purpose, Audience, Context and Culture (PACC) and explanations of visual text features.

- Equip students with the necessary skills to approach this section of their examination, by teaching them how visuals and written text work together to convey a specific message.
- Familiarise students with various types of examination questions and answering techniques with guided explanations and worked examples.

## Composition

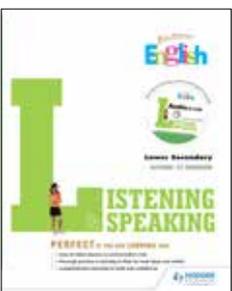

**Upper Secondary**  
978-981-06-3668-5

## All About English: Complete Guide to Composition Writing (3rd Edition)

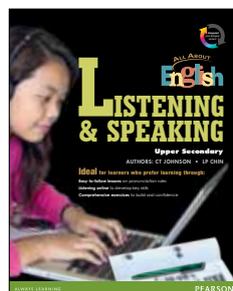

Introduce students to various text types and provide guidelines on how to write them. This guide is based on the latest syllabus by the Ministry of Education in Singapore, and provides ample examples and exercises to ensure that students understand and grasp skills fully.

- Focus on models of different text types and help students improve their writing.
- Provide students with useful tips and strategies for working under exam conditions.
- Teach students to assess their own writing based on common marketing guidelines.
- Challenge students and reinforce learning with sample papers.

## Listening and Speaking

**Lower Secondary**  
978-981-06-2684-6

**Upper Secondary**  
978-981-06-3750-7

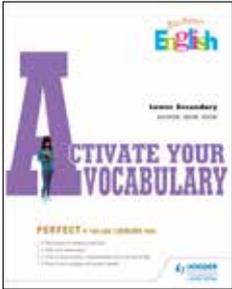

## All About English: Listening and Speaking

Equip students with essential skills to listen actively and speak fluently with this accessible book, which is divided into two parts.

- Part 1 - Introduce students to the sounds and symbols of the International Phonetics Alphabet (IPA) and rules of pronunciation, to enable them to use a dictionary for pronunciation.
- Part 2 - Test students' vocabulary and prompt them to listen for main ideas and details with varied exercises.
- Encourage oral confidence by teaching students to model accurate pronunciation on fluent speakers and create their own dialogues.

# Secondary English

## Vocabulary

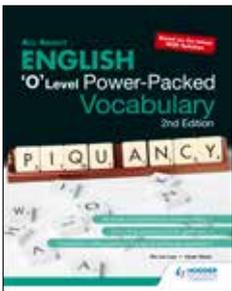

**Lower Secondary**  
978-981-06-3667-8

### All About English: Activate Your Vocabulary

Activate your vocabulary and delve deeper into written passages to understand the way writers use words to present ideas, covering the three key areas: Comprehension, Summary and Essay writing.

- Learn techniques to build your vocabulary, and about the use of vocabulary in context.
- Encourage students to enjoy reading with Book Link.

**'O' Level**  
978-981-06-3738-5

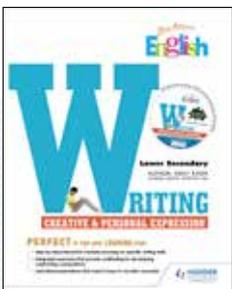

### All About English: 'O' Level Power-Packed Vocabulary (2nd Edition)

Build a rich store of words with which to tackle the revised GCSE 'O' Level English paper with confidence, and equip your students with extensive vocabulary to enhance thinking and reading skills.

This book is divided into 4 parts:

- Building Your Vocabulary
- Tackling the Essay Question in the GCSE 'O' Level English Language Paper 1
- Tackling the Vocabulary, Language Use and Language Appreciation Components in the GCE 'O' Level English Language Paper 2.
- GCE 'O' Level Words You Should Know.

## Writing

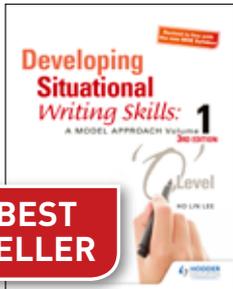

**Lower Secondary**  
978-981-06-1957-2

### All About English: Writing Creative & Personal Expression

Teach students to mix and match skills like building blocks to create captivating essays with a systematic writing programme divided into two parts:

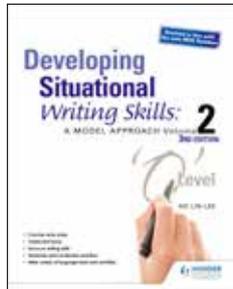

- Part 1 - explains the eight key aspects of writing descriptive and narrative essays with writing tips to be found in the accompanying DVD
- Part 2 - apply and enhance the skills learnt in Part 1 through practice that focuses on Critical Analysis, Guided Rewriting and Free Writing.

## Reference

978-147-18-3746-3

### Grammar for Secondary 1-5 Reference Book

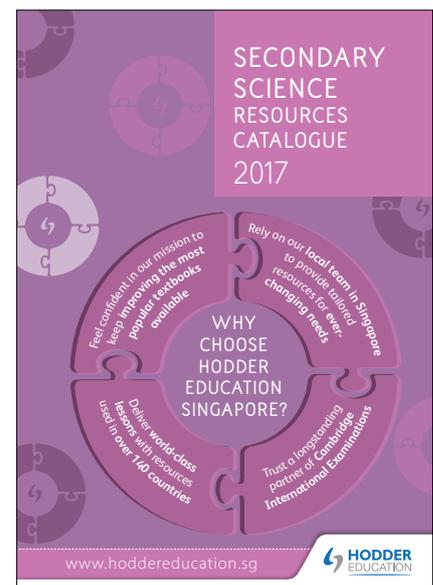

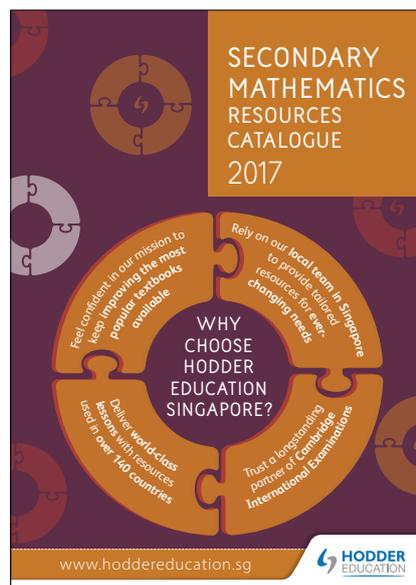

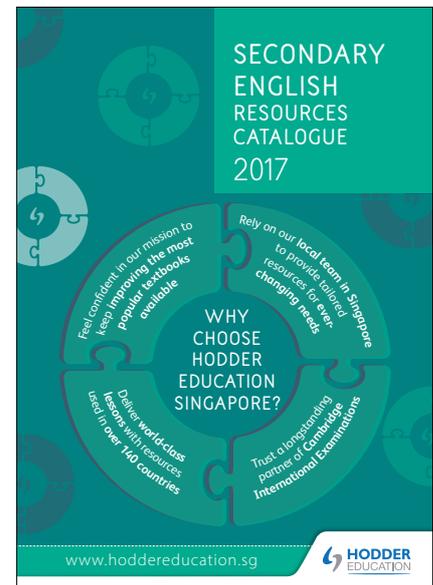

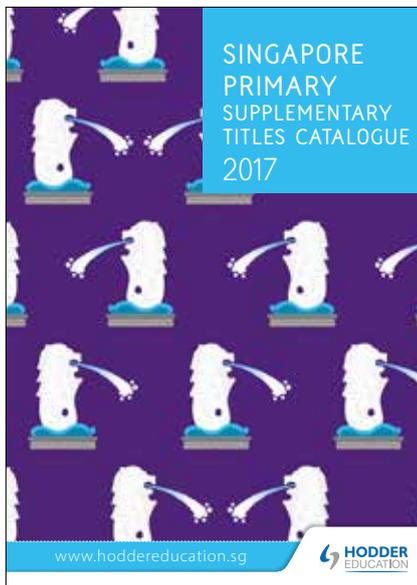

**The only grammar reference for Secondary students developed collaboratively with the Ministry of Education (MOE), Singapore.**

Draw on over 100 combined years of grammar expertise from the publishers of First Aid in English and grammar and linguistics expert, Dr Lubna Alsagoff.

#### Grammar for Secondary 1-5 Reference Book:

- Presents grammar in context using real-world examples and ideas about learning grammar in Singapore.
- Builds understanding with a two-part structure that first shows how words are used to form sentences, then how these in turn are used to create different types of text.
- Structures learning with terms at the start of the book and activities throughout that stretch and check understanding.
