 **HODDER**
EDUCATION

Why choose Hodder Education Singapore?

- **Count on some of the best-known textbooks**

Hodder Education Group publishes a well-known and well-loved list of bestselling titles for schools in Singapore. We continue to add to this list, ensuring that we produce resources of the highest quality for Singapore teachers to rely upon.

- **Rely on our local team in Singapore to provide tailored resources and respond to ever-changing needs**

Our dedicated team in Singapore provides you with access to the best range of print and digital resources, all tailored to support the national curriculum. We are committed to continually improving the support we provide and our team responds quickly and effectively to the wide range of ever-changing needs across the country.

- **Benefit from over 100 years of experience in educational publishing and deliver world-class lessons with resources used in over 140 countries**

Hodder Education Group is one of the largest and most experienced educational publishers with over 100 years of publishing history. Globally, we have published for almost every subject, and every learning level, providing resources to schools in over 140 countries worldwide. Our expertise allows us to help you deliver the world-class standard that has made Singapore a global leader in education.

- **Trust a longstanding partner of Cambridge Assessment International Education**

As an official publisher of endorsed resources, we have worked with Cambridge Assessment International Education for over 25 years. Cambridge International also work with the Singapore Ministry of Education to develop the O and A Levels examinations.
